Benefits of a **LEGACY™ LINE FURNACE**

Keep your family cozy during the winter months with a Bryant Legacy™ Line gas furnace. These furnaces deliver years of reliable performance and are an outstanding value.

Potentially save on winter energy bill

Up to a 96.2% Annual Fuel Utilization Efficiency (AFUE). AFUE is a measure of how efficient your furnace is at converting the energy in fuel to heat.

Eliminate the pilot light

Count on the Bryant Perfect Light™ igniter system to reliably bring the heat when you need it.

Smart technology

Compatible with smart W-Fi® controls like the ecobee Thermostat, Powered by Bryant.

Delivers comfort and savings

Electrically efficient fixed-speed constant torque ECM motor with five programmed speeds delivers quiet comfort throughout the winter.

Rest easy with a long warranty

10-year parts and lifetime heat exchanger (model 915S) and 20-year heat exchanger (model 912S) limited warranty when registered on time¹

1. The limited warranty period is 5 years on parts and 20 years on heat exchangers if not registered within 90 days. Jurisdictions where warranty benefits are not conditioned on registration will automatically receive a 10-year parts limited warranty and a lifetime parts limited warranty on the heat exchangers. See warranty certificate at Bryant.com for complete details and restrictions.

Excellent comfort **WHATEVER** winter brings

featured TECHNOLOGIES

Complete Legacy™ systems feature these exclusive advancements.

"Smart" Technology

An ecobee Thermostat, Powered by Bryant, can maximize your comfort and savings by learning your family's schedule, using local weather information and analyzing your home's heating and cooling patterns.²

ECM Technology

The electrically-efficient motor inside Legacy Line furnaces provides comfort and savings all year long.

Hybrid Heat® Dual-Fuel System

A dual-fuel solution that combines an electric heat pump with a gas furnace. This allows the system to choose the most efficient fuel source while delivering year-round comfort and efficiency.

Take charge with a complete **LEGACY™ SYSTEM**

A complete Legacy system works as one to deliver whole-home comfort to you and your family.

ecobee
THERMOSTAT
Powered by Bryant

Achieve greater efficiency and whole-home comfort with this Wi-Fi® smart thermostat.

**LEGACY AIR
CONDITIONER**

High-efficiency cooling power delivering whole-home comfort and energy savings.

**EVAPORATOR
COIL**

Matches to the proper outdoor unit to provide top cooling efficiency and years of reliable service.

**AIR
PURIFIER**

Patented Captures and Kills® technology treats 100% of the air flowing through your system.³

HUMIDIFIER

Alleviates dry air by adding moisture.

VENTILATOR

Transfers heating and cooling energy to the incoming fresh air.

2. When connected to the Internet through a Wi-Fi® network. Thermostat sold separately.

3. Based on third-party testing (2012) showing 95% of particles size 1.0 to 3.0 microns captured. Based on third-party testing (2012, 2007) showing > 99% kill rate for common cold surrogate, Streptococcus pyogenes and human influenza.

BRYANT® HEATING SOLUTIONS

There is a Bryant product for almost any heating and cooling need or budget.
Only your Bryant dealer can help you decide which is right for you.

	BEST EVOLUTION™ SYSTEM	BETTER PREFERRED™ SERIES	GOOD LEGACY™ LINE
Energy Management	<p>Modulating Operation (987M) Our highest efficiency models make subtle 1% adjustments up and down as conditions change to deliver comfort with much higher precision than standard or two-stage models.</p> <p>Two-Stage Operation (986T) Automatically chooses between low and high settings to maintain more consistent temperature and efficient operation.</p>	<p>Two-Stage Operation (926T) Automatically chooses between low and high settings to maintain more consistent temperature and efficient operation.</p> <p>Single-Stage Operation (926S) Helps keep operating costs low all season long.</p>	<p>Single-Stage Operation (912S and 915S) Helps keep operating costs low all season long.</p>
