Systems Only

Benefits of a **PREFERRED™ SERIES AIR CONDITIONER**

Increased energy savings

Two-stage scroll compressor (model 127A) increases efficiency and produces up to 17.0 Seasonal Energy Efficiency Ratio (SEER) and up to a 13.0 Energy Efficiency Ratio (EER).

Reliable performance

Designed to minimize rust and corrosion. Microtube™ refrigeration system also maximizes efficient air conditioner operation.

Quiet operation

Smooth-running compressor provides naturally quiet operation. Two-stage model runs on low stage for longer periods of time to further reduce sound.

Smart thermostat capable

Enjoy energy savings, remote access capability and in-depth energy reporting with ecobee Thermostats, Powered by Bryant.¹

Built to last

Bryant DuraGuard™ protection package provides lasting durability against weather and more.

ENERGY STAR® on qualifying systems

You may save energy and qualify for local utility rebates where available.

Low or no-interest financing

The enhanced comfort and energy savings of our Preferred Series air conditioners is easier to afford than ever.¹

Rest easy with a long warranty

Preferred Series air conditioners offer a 10-year parts limited warranty upon timely registration.²

Excellent comfort **WHATEVER** the heat outside.

featured TECHNOLOGIES

Complete Preferred™ system air conditioners feature these exclusive advancements.

"Smart" Technology

An ecobee Thermostat, Powered by Bryant, can maximize your comfort and savings by learning your family's schedule, using local weather information and analyzing your home's heating and cooling patterns.³

DuraGuard™ Protection

The Bryant DuraGuard™ protection package provides lasting durability against weather and more with galvanized steel cabinets, baked-on powder paint and louvered coil guards.

Two-Stage Operation

Two-stage operation (model 127A) offers a number of benefits. Enjoy reduced energy consumption, more consistent indoor temperatures, quieter operation and better humidity management.

Gain more control with a complete **PREFERRED™ SYSTEM**

A complete Preferred system works as one to deliver whole-home comfort to you and your family.

ecobee

THERMOSTAT

Powered by Bryant

Achieve greater efficiency and whole-home comfort with this Wi-Fi® smart thermostat.

PREFERRED FURNACE

Properly matched with your air conditioner to convert heating and cooling energy into greater indoor comfort.

FAN COIL

Works with your outdoor heat pump to convert heating and cooling energy and deliver more comfortable air to your home.

EVAPORATOR COIL

Matches to the proper outdoor unit to provide top cooling efficiency and years of reliable service.

AIR PURIFIER

Our patented Captures and Kills® technology treats 100% of the air flowing through your system.⁴

HUMIDIFIER

Alleviates dry air by adding moisture.

VENTILATOR

Transfers heating and cooling energy to the incoming fresh air.

1. For qualified buyers. See dealer for details.

2. The limited warranty period is 5 years on parts if not registered within 90 days. Jurisdictions where warranty benefits are not conditioned on registration will automatically receive a 10-year parts limited warranty. See warranty certificate at Bryant.com for complete details and restrictions.

3. When connected to the internet through a Wi-Fi® network.

4. Based on third-party testing (2012) showing 95% of particles size 1.0 to 3.0 microns captured. Based on third-party testing (2012, 2007) showing > 99% kill rate for common cold surrogate, Streptococcus pyogenes and human influenza.

BRYANT® COOLING SOLUTIONS

There is a Bryant product for almost any heating and cooling need or budget.

Only your Bryant dealer can help you decide which is right for you.
