Qualifying  
Systems Only

## Benefits of a **PREFERRED™ SERIES HEAT PUMP**

### Increased energy savings

Two-stage scroll compressor (model 226A) increases efficiency by operating nearly continuously on low stage producing up to a 17.0 Seasonal Energy Efficiency Ratio (SEER) and up to a 9.5 Heating Seasonal Performance Factor (HSPF).

### Reliable performance

Designed to minimize rust and corrosion. Microtube™ refrigeration system also maximizes efficient heat pump operation.

### Quiet operation

Smooth-running compressor provides quiet operation. Two-stage model runs on low stage for longer periods of time to further reduce sound.

### Smart thermostat capable

Enjoy energy savings, remote access capability and in-depth energy reporting with ecobee Thermostats, Powered by Bryant.<sup>1</sup>

### Built to last

Bryant DuraGuard™ protection package ensures lasting durability against weather and more.

### ENERGY STAR® on qualifying systems

You may save energy and qualify for local utility rebates where available.

### Low or no-interest financing

The enhanced comfort and energy savings of our Preferred Series heat pump is easier to afford than ever.<sup>2</sup>

### Rest easy with a long warranty

Preferred Series heat pumps offer a 10-year parts limited warranty upon timely registration.<sup>3</sup>

# Excellent comfort **WHATEVER** the heat outside.

## featured TECHNOLOGIES

Complete Preferred™ system heat pumps feature these exclusive advancements.

### "Smart" Technology

An ecobee Thermostat, Powered by Bryant, can maximize your comfort and savings by learning your family's schedule, using local weather information and analyzing your home's heating and cooling patterns.<sup>1</sup>

### DuraGuard™ Protection

The Bryant DuraGuard™ protection package ensures lasting durability against weather and more with galvanized steel cabinets, baked-on powder paint and louvered coil guards.

### Two-Stage Operation

Available on certain Preferred Series heat pumps, two-stage operation offers a number of benefits. Enjoy reduced energy consumption, more consistent indoor temperatures, quieter operation and better humidity management.

### Hybrid Heat® Dual-Fuel System

A dual-fuel solution that combines an electric heat pump with a gas furnace. This allows the system to choose the most efficient fuel source while delivering year-round comfort and efficiency.

## Gain more control with a complete **PREFERRED™ SYSTEM**

A complete Preferred system works as one to deliver whole-home comfort to you and your family.

ecobee

**THERMOSTAT**  
Powered by Bryant

Achieve greater efficiency and whole-home comfort with this Wi-Fi® smart thermostat.

**PREFERRED FURNACE**

Properly matched with your heat pump to convert heating and cooling energy into greater indoor comfort.

**FAN COIL**

Works with your outdoor heat pump to convert heating and cooling energy and deliver more comfortable air to your home.

**EVAPORATOR COIL**

Matches to the proper outdoor unit to provide top cooling efficiency and years of reliable service.

**AIR PURIFIER**

Our patented Captures and Kills® technology treats 100% of the air flowing through your system.<sup>4</sup>

**HUMIDIFIER**

Alleviates dry air by adding moisture.

**VENTILATOR**

Transfers heating and cooling energy to the incoming fresh air.

1. When connected to the internet through a Wi-Fi® network.

2. For qualified buyers. See dealer for details.

3. The limited warranty period is 5 years on parts if not registered within 90 days. Jurisdictions where warranty benefits are not conditioned on registration will automatically receive a 10-year parts limited warranty. See warranty certificate at Bryant.com for complete details and restrictions.

4. Based on third-party testing (2012) showing 95% of particles size 1.0 to 3.0 microns captured. Based on third-party testing (2012, 2007) showing > 99% kill rate for common cold surrogate, Streptococcus pyogenes and human influenza.

# BRYANT® COOLING SOLUTIONS

There is a Bryant product for almost any heating and cooling need or budget.  
Only your Bryant dealer can help you decide which is right for you.
